

Horrabridge Parish Council Planning Sub-Committee
Minutes for Planning Meeting held on 11 December, 2018

Present: Cllrs Steve Roche, Eric Hemsil, Christine Edmondson.

Application No: 0641/18

Proposed: Erection of garage at The Manor, Horrabridge.

Cllr. Roche visited the property, and explained “The house is scaffolded and significant internal alterations appear to be taking place. Land adjacent to the house is not particularly suitable for erection of a garage, so the proposed location is probably the best option. The garage is proposed to be a double, with cement rendered walls, softwood furniture and a shingle roof, similar in appearance to The Manor. HPC have supported a house to be erected in the adjoining vacant plot. The owners of the plot and the previous owners of The Manor dispute ownership of the shared drive, but DNPA told them to sort this out between themselves”.

Conclusion: The sub-committee voted to **Support**.

Mr J Crocker of DNPA was informed by email of HPC’s conclusion on:
11th December, 2018.
