

Horrabridge Parish Council Planning Sub-Committee

Minutes for Planning Meeting held on 6 November, 2018

Present: Cllrs Steve Roche, Paul Beard, Eric Hemsil, Christine Edmondson.

Application No: 0560/18

Proposed: Siting of office pod in the domestic curtilage of the dwelling at London House, 22 Station Road, Horrabridge.

Cllr. Roche and Beard visited the property. Because of the shape of the pod and also the house, it would only be possible to move the pod in by about 1 metre (totally obscuring a bathroom window).

Conclusion: The sub-committee voted to **Object**.

DNPA were informed of HPC's observations on: 7th November , 2018.

Horrabridge Parish Council **OBJECTS** to the Siting of office pod in the domestic curtilage of the dwelling at London House, 22 Station Road, Horrabridge. The structure is unsightly and prominent in the street scene. Moving it back 1 metre would make little difference. Siting outbuildings to the side of a dwelling within both a national park and a conservation area, are not allowed according to the Planning Portal.
