

Horrabridge Parish Council Planning Sub-Committee

Planning Meeting held on 13th May, 2019

Minutes

Present: Cllrs Steve Roche, Andy Moorehead, Eric Hemsil, Christine Edmundson.

Application No: 0165/19

Proposed: Formation of room in roof with rear dormer at Higher Marsland, Plymouth Road, Horrabridge.

A sensible addition to a small bungalow, providing extra space for a growing family. Houseowner is a chippy who will do the work himself. The bungalow is in very good condition, brought up by the present owner. The neighbours are said to be happy with the proposal. The roof line is below road level, and the dormer will have little impact on the neighbourhood. Other dwellings will not be overshadowed.

Conclusion: The sub-committee voted to SUPPORT.

DNPA were informed of HPC's observations on: 14th May, 2019.
