

Minutes of the Planning Sub-Committee of Horrabridge Parish Council who met on 'Zoom' on Thursday 1<sup>st</sup> October, 2020.

Present: Cllrs. Hemsil, Edmundson and Roche.

Planning Application 0429/20 'Proposed: Erection of log cabin as studio at 12 Youldon Way, Horrabridge'.

A large house with a large, well-kept garden. The proposed cabin would be prominent and detached from the property. Whilst the cabin would be somewhat out of keeping with the adjacent properties, planting would reduce its impact on the street scene.

The Committee voted 2:1 to support.

Horrabridge Parish Council **Supports** Planning Application 0429/20 'Proposed: Erection of log cabin as studio at 12 Youldon Way, Horrabridge'. However, the blank wall of the structure presented to the road could be softened by judicious planting of shrubbery.
